Easy to Use

Nationwide network of providers

HumanaOne health plans provide access to doctors, pharmacies and hospitals nationwide through the Humana/ChoiceCare Network® PPO. So, no matter where you work or travel throughout the continental U.S., you're covered. What's more, HumanaOne health plans give you the freedom to see the doctor of your choice. You receive the most from your plan when visiting a doctor, hospital or pharmacist in the network, but you're still covered if you choose an out-of-network provider.

The Humana ChoiceCare Network® PPO features more than:

- 350,000 physicians and ancillary care providers
- 3,100 hospitals
- 48,000 pharmacies

Prescription drug benefits

When your doctor prescribes a drug that's covered by your HumanaOne health plan, you'll find the drug in one of four levels. And no matter which level contains your drug, your prescription drug costs are covered to some degree (see the following Summary of Benefits for specific benefit information). The levels are:

Level One – low-cost generic and brand-name drugs.

Level Two – higher-cost generic and brand-name drugs.

Level Three – higher-cost, mostly brand-name alternatives to drugs on Level One and Two.

Level Four – self-administered, injectable medications and high-technology drugs.

For your convenience, you may also receive a maximum 90-day supply per prescription or refill through the mail (maximum 30-day supply for self administered injectable drugs) by purchasing medications through a participating mail-order pharmacy.
