Life Insurance

Life insurance is an inexpensive way to provide a death benefit for employees that will help them establish essential financial protection for themselves and their families. Aetna offers a wide range of flat dollar insurance options for basic employee term life insurance with rates guaranteed not to increase for a period of two years from the policy's effective date. Aetna Small Group life insurance plans automatically come with many value-added features including:

- **Accelerated Death Benefits** — Also called the “living benefit,” provides payment to terminally ill employees or spouses. The payment can be up to 50% of the life insurance benefit (minimum of \$5,000).
- **Premium Waiver Provision** — Employee coverage may stay in effect up to age 65 without premium payments if an employee becomes permanently and totally disabled while insured because of an illness or injury prior to age 60.
- **Guaranteed Issue** — For Basic Term Life, coverage is individually “guaranteed issue” up to \$20,000 for groups with 2-9 eligible employees, \$75,000 for groups of 10-25 eligible employees and \$100,000 for groups of 26-50 eligible employees. For Packaged Life/Disability, the guaranteed issue amounts for groups of 2-50 eligible

employees are \$10,000 for the Low Option and \$20,000 for the Medium Option. For the High Option, the guaranteed issue amount is \$20,000 for groups of 2-9 eligible employees and \$50,000 for groups of 10-50 eligible employees.

- **Optional Dependent Life Insurance** — Ability to add optional additional coverage for eligible spouses and children for employers with 10 or more employees. This employee paid benefit enables employees to cover their spouses and dependent children at flat amounts at employee expense.
- **Aetna Beneficiary Solutions™ Program*** — A program that provides an interest-bearing account, customized investment programs with confidential, free financial counseling through Chase Bank, New York, as well as Aetna's Legal Reference Program for all beneficiaries.

*For the Aetna Beneficiary Solutions Program, securities and investment advisory services are independently offered through Chase Bank, New York. Chase Bank is a full-service broker-dealer and Registered Investment Advisor. Aetna does not warrant or guarantee and makes no representations as to the quality of services offered by Chase Bank, New York. The Legal Reference Program is independently offered and administered by ARAG, North America Inc. (ARAG). Aetna does not monitor ARAG services or program content. Aetna does not provide legal services and makes no representations or warranties as to the quality of the services provided by ARAG.

AD&D Ultra®

Accidental Death and Personal Loss Coverage, called AD&D Ultra is automatically included in all employee term life plans and as part of the streamlined Life and Disability package. AD&D Ultra provides a benefit up to the amount of group life insurance for certain accidental losses. Aetna calls it AD&D Ultra because it includes a 365-day covered loss period and fourteen standard benefit features that set the standard for accidental loss protection.

These benefits include:

- Death
- Dismemberment
- Loss of Sight
- Loss of Speech
- Loss of Hearing
- Third Degree Burns
- Paralysis
- Exposure and Disappearance
- Passenger Restraint & Airbag
- Education Benefit for Dependent Child and/or Spouse
- Child Care Benefit
- Coma Benefit
- Repatriation of Remains Benefit
- Total Disability Benefit

Disability

Disability insurance provides a partial replacement of lost income for the employee and helps reduce employer costs compared to the cost of carrying disabled employees on the payroll while also paying overtime to other employees or hiring replacements.

Through Aetna Disability Services®, plan administration is easy and dependable:

- **Fast, accurate claim payments** from our dedicated disability benefit system that automates benefit calculations, claim histories and audit and security features.
- **Designated claim analysts** who serve as the employee's single point of contact to our team of claim and clinical professionals. Nurse case managers and vocational rehabilitation specialists are available to work with employees facing complex clinical and functional challenges to help achieve a positive outcome for the employee and cost-effective claim management for the employer.
- We align clinical and claim management experience with the nature and complexity of each claim to provide **the right touch at the right time®** for the employer and their ill or injured employees.

Packaged Life and Disability

Aetna offers a streamlined product that combines basic life, AD&D Ultra, dependent life and disability insurance coverages in one convenient package. To make it easy to choose, we've designed three alternatives that provide different levels of life and disability coverage for a set price — Low, Medium and High plans. These insurance plans offer a range of flat dollar insurance options bundled together in one monthly per employee rate.

There are several advantages to choosing these options:

- One-stop shopping.
- Plans are designed to meet the business needs of small business owners.
- Simplified quotation process — no extra information is needed and rates are set.
- Streamlined plan installation, administration and claims processing.
- Specially designed Disability product, which is a combination of Short and Long Term Disability benefits that — at a crucial time — helps employees bridge from most employer-sponsored salary continuation to Social Security.
- The Disability portion of this product offers coverage for occupational and non-occupational injuries and illnesses.
